

Curriculum Vitae

Bård Misund

Email: bard.misund@uis.no, bardmisund@gmail.com.

Address: Gangarstien 16, N-4021 Stavanger, Norway

Mobile: +47 41681729

Research interests

- Value-relevance of oil and gas company financial information
- Market valuation of oil and gas companies
- Risk factors affecting the return on oil and gas company stock prices
- Commodity price behavior (cointegration, spot-forward relationship, price discovery, volatility modeling, and hedging efficiency)
- Volatility, correlation and volatility spillovers
- Energy and commodity derivatives
- Taxation of commodity companies

Academic Appointments: University of Stavanger

2015 – present	Associate Professor
2012 - 2015	Associate Professor II
2007 – 2011	Associate Professor (full-time and part-time)
2004 - 2006	PhD Research Fellow

Other Previous Academic Appointments

1997 (9 months)	PhD Research Fellow	University of Bergen
1996 (12 months)	Research Assistant	Forsvarets Forskningsinstitutt (FFI)
1994 (6 months)	Research Assistant	University of Tromsø

Professional Experience

2007- 2015	Equinor ASA (formerly known as Statoil), - Specialist (Advisor). Responsible for methodology for investment valuation and valuation of structured energy products - Senior Quantitative Analyst and Trader. Responsible for valuation and trading of complex energy options (e.g. natural gas storage contracts and swing options) - Senior Petroleum Economist. Responsible for valuation of downstream oil&gas investment projects and sales contracts (e.g. take-or-pay contracts)
2004	Cermaq ASA (consultant). Analysis and controller for listing prospectus
2002-2003	Grieg Seafood ASA (part-time). Analysis and valuations
1999 – 2001	Fjord Forum AS (full-time). Analysis, valuation and project management
1998	Kontali Analyse AS (part-time). Analysis of salmon aquaculture profitability
1991-1995	Fjord Aqua Group AS (part-time). Fish farming operations analysis. This company is now part of Lerøy Seafood Group ASA.
1987-1990	Mico Fiskeoppdrett (part-time). This company is now part of Salmar ASA

Corporate Board Appointments

1999 – 2015 Board member Fjord Forum AS

Education

2004 – 2007	Ph.D. Industrial Economics, University of Stavanger, Stavanger, Norway
2002 – 2004	M.Sc. in Finance and Accounting (Høyere avdeling), Norwegian School of Economics and Business Administration (NHH), Bergen, Norway
1998	Pre-M.Sc. in Finance subjects, Norwegian School of Economics and Business Administration (NHH), Bergen, Norway
1991-1996	M.Sc. Aquaculture, Norwegian School of Fisheries Science (NFH), University of Tromsø, Tromsø, Norway

Reviewer appointments

Aquaculture Economics and Management, COGENT Business and Management, COGENT Economics and Finance, COGENT Social Sciences, Energy Economics, Energy Policy, Energy, Global Finance Journal, Journal of Banking and Finance, Journal of Commodity Markets, Marine Resource Economics, Routledge, Economics list (book manuscript review), The Energy Journal.

Theses

Valuation of oil and gas companies (2007). PhD dissertation in Industrial Economics. University of Stavanger, ISBN 978-82-7644-324-0. 100p

Credit risk in Atlantic salmon farming companies (2004). Master of Science in Finance (Cand. Merc.) Thesis, Norwegian School of Economics and Business Administration (NHH).

The impact of photoperiod manipulation and starvation on the quality in farmed Atlantic salmon (1996). Master of Science in Biology Thesis (Cand. Scient.). University of Tromsø.

Research project experience

I have worked on several projects funded by the Norwegian Research Council (NFR) and the Norwegian Seafood Research Fund (FHF):

NFR: «PETROSAM2», and «FISH TAX»

VRI Rogaland: «Bedrifts- og samfunnsøkonomisk evaluerings- og prediksjonsmodell for spredning av lakselus»

FHF: «Kontraktsmarked for førstehåndsomsetningen av villfisk», and «Havbruksforvaltning 2030».

Presentations for practitioners

I have made numerous presentations for analysts, investors, management, and public sector officials in the oil and gas and seafood industries.

Teaching experience

- MØA-210: Derivatives and risk management in energy markets (2007 – present). 10 credits (masters level), University of Stavanger Business School, Stavanger, Norway.
- MØA-205: Investments (2016 - present). 10 credits (masters level), University of Stavanger Business School, Stavanger, Norway.
- MØA-155: Financial Economics (2015-2016). 10 credits (masters level), University of Stavanger Business School, Stavanger, Norway.
- MØA-140: Corporate Finance (2008-2009). 10 credits (masters level), University of Stavanger Business School, Stavanger, Norway.
- MØA-220: Finansiell rapportering og analyse: Guest lecturer (2006), University of Stavanger, Stavanger, Norway
- IND640 Risk, derivatives, and markets (2016). 10 credits (masters level), University of Stavanger, Stavanger, Norway. Responsible for 1/3 of the course.
- FN620: Investment analysis and valuation for the oil and gas industry, University of Dar Es Salam, Tanzania (2016). Responsible for 1/3 of the course.
- FN621 Enterprise risk management for the energy industry, University of Dar Es Salam, Tanzania (2016). Responsible for 1/2 of the course.
- Supervisor at master and bachelor levels: 9 bachelor theses and 34 master theses.
